Recap

This week we had a fun meeting to catch up on what's happening with our club. Brief updates from each department included:

- **Speaker scheduling** – Ronnie is doing a great job bringing in speakers for us! He is always looking for interesting speakers to book, so please let him know of any suggestions you may have.
- **Foundations** – Gary takes up the Polio money every week with a goal of contributing at least \$40 per member by the end of each year. This is how we achieve the Polio Eradicator Award!

- **Membership** – ET and Bear thanked everyone for bringing in visitors and encouraged the club to keep inviting others!
- **Youth Services** – Tom gave an update on Interact and Rotaract activities, as well as all of the volunteers that have stepped up to help! Thank you, Jay, Trey, Regina, Chad and Bill, for volunteering to help with continuing youth projects! Tom is still looking for two people to split up one day working RYLA on September 22nd if anyone is interested!
- **Public Relations** – Ron is building our new website and asking for content ideas. Ginger has volunteered to handle social media is doing a fantastic job! Leighann will continue to write the newsletter and is always open to suggestions or changes you would like to see.
- **Finances** – Jerry gave us an update on where the club’s finances stand. We currently have \$21,387.35 in the bank, which includes allocated funds for Daddy Daughter Dance 2019 expenses, as well as our Polio contributions. Please see attached page for more details.
- **Social Events** – Bill is planning a wine tasting event with John Iacovino at the Museum of Appalachia on September 28th at 6:00 p.m. for our next Rotary Social. Please let him know if you plan on coming so he can turn in a head count.
